Agriculture Service <25kW

SINGLE PHASE SERVICE MUST NOT EXCEED 25KW

AVAILABILITY

Available to any member for single phase service located within the REMC's service areas located adjacent to a distribution line of the REMC that is adequate and suitable for supplying service that is not residential or agriculture in nature. Service under this rate shall be provided on a yearly basis.

CHARACTER OF SERVICE

The type of service rendered under this rate shall be alternating current, sixty (60) Hertz, single phase at a voltage of approximately 120/240 volts three wire or such other voltage as might be mutually agreed upon.

MONTHLY RATE

Distribution Charge	\$50.00 per month
Energy Charge	
June thru November	\$0.1031 per kWh
December thru May	\$0.1112 per kWh

MINIMUM MONTHLY CHARGES

The minimum monthly charge shall be the distribution charge.

DETERMINATION OF BILLING DEMAND

The billing demand shall be the maximum kilowatt demand established by the consumer for any period of fifteen (15) consecutive minutes during the month for which the billing is rendered as indicated or recorded by a demand meter.

PRIMARY METERING

1. Distribution charge includes charge for a single transformer
2. Services that are primary metered shall incur an additional \$15 per REMC owned transformer that is located on the member's side of the meter for each additional transformer.

CONDITION OF SERVICE

**HENRY COUNTY RURAL ELECTRIC
MEMBERSHIP CORPORATION**
3400 S. State Road 3
New Castle, Indiana 47362

3. Service shall be provided based upon the REMC's rules and regulations.
4. All single-phase motors or phase converters with inrush current in excess of 250 amps at 240 volts shall require REMC approval.
5. Single-phase service-to-phase converters will be by REMC approval only. The single largest motor shall not exceed 20 horsepower and total connected motors shall not exceed 40 horsepower.
6. Service will be evaluated annually to determine proper rate classification. If the maximum demand for this tariff is reached or exceeded in the prior 12 months the service shall be re-classified into the next higher rate class.

RATE ADJUSTMENT

The above rates are subject to the following charges and conditions:

POWER COST ADJUSTMENT TRACKER	(Refer to Appendix A)
TERMS OF PAYMENT	(Refer to Appendix B)
NONRECURRING CHARGES	(Refer to Appendix B)
MEMBER DEPOSITS	(Refer to Appendix C)
