U-16-1 IN HENRY COUNTY, INDIANA)

VERIFIED JOINT PETITION
TO MODIFY SERVICE AREA BOUNDARIES

Duke Energy Indiana, LLC (“Duke Energy Indiana”) and Henry County Rural Electric Membership Corporation (“Henry County REMC”), jointly petition the Indiana Utility Regulatory Commission (“Commission”) to approve their Agreement to modify service area boundaries located on U.S.G.S. Facet Map U-16-1 in Henry County, Indiana, and state in support thereof:

1. Joint Petitioner, Duke Energy Indiana, is a public utility organized and existing under the laws of the State of Indiana and has its principal office at 1000 East Main Street, Plainfield, Indiana. It is a wholly-owned subsidiary of Duke Energy Indiana Holdco, LLC and an affiliate of Duke Energy Business Services LLC and Duke Energy Corporation. It is engaged in the business of distributing, furnishing, and selling retail electric service to the public in numerous counties in the State of Indiana, including Henry County, and has charter authority to do so.

2. Joint Petitioner, Henry County REMC, is a Rural Electric Membership Corporation organized and existing under the laws of the State of Indiana and has its principal office at 3400 South State Road 3, New Castle, Indiana. It is engaged in the business of distributing, furnishing, and selling retail electric service to the public in the State of Indiana, including Henry County, and has charter authority to do so.

3. Each Joint Petitioner is an “electricity supplier” as such term is defined by Ind. Code § 8-1-2.3-2(b) and the provisions of Ind. Code § 8-1-2.3-1 *et seq.* are deemed applicable to the subject matter of this Joint Petition.

4. Pursuant to the Commission’s September 14, 1983 Final Order (“Final Order”) in Cause No. 36299-S221(X), the Commission established boundary lines between the Joint Petitioners on U.S.G.S. Facet Map U-16-1.

5. Portions of the boundary lines approved in said Final Order traversed through real estate in U.S.G.S. Facet Map U-16-1. Since that time, the Joint Petitioners have agreed that certain service territory modifications between Duke Energy Indiana and Henry County REMC have become necessary. The Joint Petitioners’ proposed modifications are shown on U.S.G.S. Facet Map U-16-1 and Facet Exhibits “A” and “A1” attached hereto.

6. U.S.G.S. Facet Map U-16-1 identifies the proposed boundary changes as the cross-hatched areas. Facet Exhibits “A” and “A1” are more detailed maps of the properties at issue. The proposed boundary change identified on Facet Exhibit “A” as “Proposed Service Territory Acquisition to Duke Energy Indiana from Henry County REMC” consists of Duke Energy Indiana gaining service territory and Henry County REMC losing service territory. The proposed boundary change identified on Facet Exhibit “A1” as “Proposed Service Territory Acquisition to Henry County REMC from Duke Energy Indiana” consists of Henry County REMC gaining service territory and Duke Energy Indiana losing service territory.

7. Joint Petitioners are making these boundary modifications to remedy locations where Joint Petitioners currently serve customers outside of their respective service territory.

8. The proposed modifications, as requested herein, will not cause duplication of facilities, or a waste of materials or resources, nor cause uneconomic, inefficient, or inadequate electric service to the public, all as required by Ind. Code § 8-1-2.3-6(a)(2).

9. The proposed modifications will not involve the exchange of any assets between Duke Energy Indiana and Henry County REMC, nor result in a change in the electricity supplier for any existing customers.

10. The Commission has jurisdiction of this action pursuant to Ind. Code § 8-1-2.3-6(a)(2).
